3. To receive the Chair's report for the year from 01/04/22 to 31/03/23.

The Chair reported that Cllr. Ruth Edwards has informed him of her wish to resign as ward member for Rockfield and St Maughans. The Chair accepted her resignation and thanked her for her work as a county councillor and her support of Whitecastle community and the community council.

“Firstly, thank you to our clerk for his dedicated work during the year. Concluding the transition from the old councils to Whitecastle, the financial part of that has been challenging, but is now completed. No help from members of the county council.

Council membership We are still a long way from being a full council of eleven, we have co-opted one member and hopefully one other, at the same time Ruth Edwards is standing down. I would like to thank all members for their support. There is clearly apathy towards being a community councillor and clearly the growing bureaucracy that we face is not all helpful. We probably spend 75% of our meeting time running the council and 25% trying to achieve something for the residents of the parishes. That has to change, it should be the other way around or in the end it will kill off community councils everywhere.

County Council Nearly everything falls on deaf ears including potholes, drains and twenty mile an hour speed signs. Progress will not be made unless we are recognised and there are major changes in what we can achieve as a council.

On the plus side The council now has a fantastic and informative website that is there to inform everyone in the community. We have a list of organisations in the community which we are able to support and we are taking care of and supporting several churchyards.

Notice boards are an issue that needs to be resolved but the new notice board at The Onen is a good example of progress made by the council. Thanks go to the staff at the Hogs Head for the use of the meeting room and the council looks forward to being invoiced for its use.”
